EXPLANATORY STATEMENT PURSUANT TO SECTION 102 OF THE COMPANIES ACT, 2013

Item No.: 3

Mr Kaushalkumar S. Gupta, is the promoter and Managing Director of the company. He has been appointed as the director since incorporation (from 2008) and designated as a Managing Director of the company with effect from August 29, 2013. Mr Kaushalkumar S. Gupta, aged 52 years, holds a Bachelor's Degree in Industrial Engineering from Saurashtra University. Taking into consideration the increased business activities of the Company coupled with higher responsibilities cast on Mr Kaushalkumar S. Gupta, the Board of Directors, on recommendation of the Nomination and Remuneration Committee of the Company, at its meeting held on 4th August, 2022, has approved the proposal to increase the remuneration of Mr Kaushalkumar S. Gupta, Managing Director, from existing Rs. 2,50,000/- p.m. to Rs. 3,10,000/- p.m., subject to the approval of shareholders, as set out in the resolution being item no. 3 of the accompanying notice w.e.f. 1st September, 2022 for the remaining period of his tenure i.e. upto 31st July, 2026.

Minimum Remuneration: Where in any financial year, during the currency of the tenure of Mr Kaushalkumar S. Gupta as Managing Director, the Company has no profits or its profits are inadequate, the Company will pay remuneration to him by way of salary, perquisites and allowances as specified in the resolution being item no. 3 of the accompanying notice as minimum remuneration, subject to the limits and conditions as prescribed under Schedule V of the Companies Act, 2013, as may be amended from time to time. In view of the relevant extant provisions of law relating to managerial remuneration, the Company is complying with the provisions of Section II of Part II of Schedule V of the Companies Act, 2013 which prescribes that in case of no profits or inadequate profits, the remuneration can be paid by the Company to its managerial personnel as minimum remuneration within the limits arrived at in accordance with the requirements of the said section II, subject to the following:

(i) The payment of remuneration is approved by a resolution passed by the Board and also by the Nomination and Remuneration Committee of Directors.

(ii) There is no default in repayment of any of its debts or interest payable thereon.

The Nomination and Remuneration Committee at its meeting held on 4th August, 2022 has already approved the above remuneration payable to Mr Kaushalkumar S. Gupta, Managing Director of the Company. Further the Company has not made any default in repayment of any of its debts or interest payable thereon. The proposed revision in remuneration above is well in conformity with the relevant provisions of the Companies Act, 2013, read with Schedule V to the said Act and hence approval of Central Government is not required for the above revision in remuneration. Except for the aforesaid revision in salary, all other terms and conditions of his appointment as Managing Director of the Company as approved by the members of the Company shall remain unchanged. Considering Mr Kaushalkumar S. Gupta experience in various business activities and the trend in the industry, the terms of his remuneration are considered to be fair, just and reasonable.

Accordingly, Special Resolution is submitted to the meeting for the consideration and approval of Members. None of the Directors, Key Managerial Personnel and their relatives, except Mr Kaushalkumar S. Gupta is in any way, concerned or interested in the said resolution. The Board commends the Special Resolution set out at Item No.3 of the accompanying Notice for the approval by the Members.

Report on Corporate Governance

[Pursuant to Regulation 34 read with Schedule V of The Securities & Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015]

As a Corporate citizen, our business fosters a culture of ethical behaviour and fair disclosures, which aims to build trust of our Stakeholders. The Company has established systems and procedures to ensure that its Board is well-informed and well-equipped to fulfil its overall responsibilities and to provide the management with the strategic direction needed to create long-term shareholders value.

Good corporate governance ensures corporate success and economic growth. Strong corporate governance maintains investors' confidence, as a result of which, the Company can raise capital efficiently and effectively. The Company's governance framework is based on the appropriate composition and size of the Board with each member having his own expertise in his respective domains. It also includes timely disclosure of all material information to Stakeholders.

As a part of its growth strategy, the Company believes in adopting the 'best practices' in the area of Corporate Governance across various geographies. Effective and transparent corporate governance guarantees that your Company is managed and monitored in a responsible manner to focus on value creation.

1. Company's Philosophy on Corporate Governance

Corporate governance philosophy of the Company is based on appropriate size and composition of the Board with each Director bringing in key expertise in different areas, systematic information flow to the Directors to enable them to effectively discharge their fiduciary duties, ethical business conduct by the management and employees, appropriate systems and processes for internal controls on all operations, risk management and financial reporting and timely and accurate disclosure of all material operational and financial information to the stakeholders.

The Company has adopted a Code of Conduct for its employees including Board of directors for further strengthening the Corporate Governance Philosophy of the Company. This code is available on the website of the Company. The Company is fully committed to practice sound Corporate Governance and uphold the highest standards in conducting business. We believe that an active, well-informed and independent Board is necessary to ensure the highest standards of Corporate Governance.

2. Board of Directors

The Board of Directors, along with its Committees, provides leadership and guidance to the Company's management and directs, supervises and controls the performance of the Company. The Board acts with autonomy and independence in exercising its strategic supervision, discharging its fiduciary responsibilities and ensuring that the management observes the highest standards of ethics, transparency and disclosure.

As on 31st March 2022, the Board of Directors of the Company ("Board") consists of Executive and Non-Executive Directors including one woman director and Independent Directors. Management Discussion and Analysis Report

Your directors have pleasure in presenting the Management Discussion and Analysis Report for the year ended on 31st March 2022.

I. Overview

The objective of this report is to convey the Management's perspective on the external environment and Pre-engineering Building and Roofing industry, as well as strategy, operating and financial performance, material developments in human resources and industrial relations, risks and opportunities and internal control systems and their adequacy in the Company during the FY 2021-22. This should be read in conjunction with the Company's financial statements, the schedules and notes thereto and other information included elsewhere in the Integrated Report. The Company's financial statements have been prepared in accordance with Indian Accounting Standards ('Ind AS') complying with the requirements of the Companies Act, 2013, as amended and regulations issued by the Securities and Exchange Board of India ('SEBI') from time to time.

II. External Environment

1. Global Economy

The global economy staged a strong rebound at the start of financial year 2021 driven by accelerated vaccination and opening of economies. It was short-lived though as rising infections and re imposition of lockdown dampened sentiments in 2nd quarter. Government and central banks in major economies continued to extend the policy support to stabilize the economy and boost private investment and consumption. However, supply chain disruption leading to commodity inflation, energy price volatility coupled with rising freight and shipping cost enhance the inflation. Rising energy prices and supply disruptions have resulted in higher and more broad-based inflation than anticipated. In beginning of year 2022 conflicts between Russia and Ukraine reached to highest level result in to more inflation.

Outlook

The IMF (International Monetary Fund) has moderated its CY 2022 Global economic growth forecast by 0.8% to 3.6% from the estimated 4.4% growth forecast, published in January 2022, due to the Russia –Ukraine Conflict, inflation and monitoring policy tightening and supply bottlenecks. Global growth is projected to slow-down from an estimated 6.1% in 2021 to 3.6% in 2022—0.8 percentage-point lower than what was envisioned in the last World Economic Outlook (WEO) of January 2022, largely reflecting forecast markdowns in USA and China.

The economic sanctions imposed by developed economies on Russia following the war with Ukraine, are likely to lead to re aligning to the trade relations there by impacting the global supply chain. Elevated inflation is expected to persist longer, with ongoing supply chain disruptions and high energy prices continuing in 2022. Risks to the global baseline are tilted to the downside which is primarily brought by the new COVID-19 variant which may prolong the pandemic and induce renewed economic disruptions. Moreover, supply chain disruptions, energy price volatility and localized wage pressures have enhanced the uncertainty around inflation and policy paths. Other global risks may crystallize with the surging geopolitical tensions, and the ongoing adverse climate conditions leading to the probability for natural disasters. With the pandemic continuing to maintain its grip, the emphasis on an effective global health strategy is more salient than ever. Worldwide access to vaccines, tests and treatments have become essential to mitigate the risks posed by new variants of COVID-19. Monetary policy in many countries will need to curb inflationary pressures, while fiscal policy will need to prioritize health and social spending.

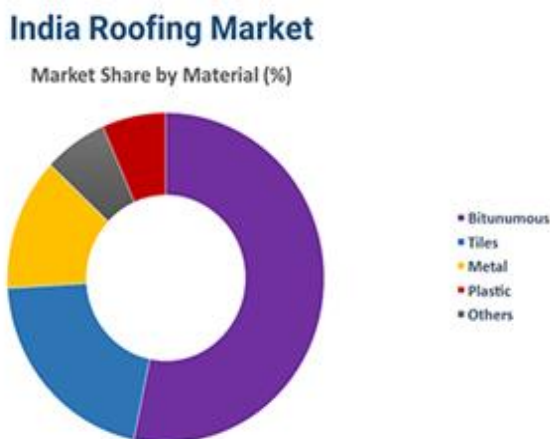

2. Indian Economy

Amidst the challenges brought by the COVID-19 pandemic leading to disruptions in supply chain and surging inflation rate, the Indian Government introduced various policies to cushion the impact on the domestic economy and in specific vulnerable sections of society and the business sector. Because of the high export orders received by Core steel producers in India, the company like us has faced price volatility and disrupt supply of basic steel i.e. HR, CR, G.P. and long products. Through its policies, the Government significantly increased capital expenditure on infrastructure projects to build back medium-term demand and aggressively implemented supply-side measures to prepare the economy for a sustained long-term expansion. With the vaccination programme having covered the majority of the population, recovering economic momentum and the likely long-term benefits of supply-side reforms in the pipeline, the Indian economy grew 8.7% in financial year 2021-22 despite a significant moderation during the 4th quarter, on account of the pandemic-led disruption, rising domestic inflation, and the ongoing Russia-Ukraine conflicts.

III. Business Segment Overview

Roofing Market Segmentation

Steel roofing is a robust protection to Residence, Industries, and Warehouses for covering the top. It protects the structure, Machine, Material beneath it and is long lasting. Globally steel roofs are replacing other roofs very fast because it is strong, aesthetically good, has long life and is cost effective.

Source: www.expertmarketresearch.com

Steel Roofing:

On the basis of material, steel roofs are likely to account for a significant share in the market. The steel roofs are witnessing increased demand as they provide resistance to fire and imparts strength and durability to the structure due to their superior quality. The increasing inclination of Industry owners, builders towards steel roofs is expected to propel the demand for the material, thus, aiding the overall market growth. As steel roofs can lower energy consumption, can be recycled, and reduce a home's carbon footprint, the material is expected to be one of the most preferred components towards structuring a building in the coming years.

The technological advancements and the introduction of new roofing technologies are likely to be the major factors driving the roofing market growth in India. These advancements include Colour coated green roofing, which provides various advantages such as absorption of rainwater, insulation, and offering an aesthetically pleasing landscape.

The India roofing market is being driven by the rapid urbanisation, growing construction activities, and growing technological advancements in the country. Aided by the growing R&D activities towards the introduction of

new roofing technologies, the market is anticipated to grow at a CAGR of 10% in the forecast period of 2022-2027. The market is projected to reach INR 80 thousand Crore by 2026. Contribution of Steel roofing is approximately 15% of total roofing need.

Pre- Engineered Steel Building Industries

The Indian PEB market continue to grow. It takes lesser time than the conventional steel concrete building, cheaper and mobility. The market growth can be attributed to various government initiative focusing on overall economic growth through manufacturing and infrastructure development which has resulted in increased demand for steel structure in all the segment.

- The global PEB industry is likely to grow at CAGR of 10 percent, mainly driven by the Industrial and warehousing demand.
- Asia Pacific holds the maximum market share of prefabricated buildings in terms of revenue mainly due to high economic growth rate and urbanization in emerging countries such as India, China, and Indonesia.
- One of the major segments boosting the demand for PEB structures is warehousing.
- As PEB comes with wide space and huge floors, with fewer columns and bars for interruptions, its great concept and helpful for many enterprises who want such requirements. PEB also allows for greater reusability of building materials with almost 95 percent of the material recycled and reused.
- Study says Global Market of PEB is INR 4.5 Lakh Crore.

Key Growth Drivers for pre-engineered buildings market

- **Increased focus towards green building:**

Various construction companies across the globe are taking initiatives to reduce the energy consumption levels in their buildings and achieve green building certifications such as LEED (the US Green Building Council's certification) and BREEAM (the UK-based Building Research Establishment Environmental Assessment Method). There are various technologies that make PEB a less waste producing and energy consuming process ad compared to traditional construction.

- **Eco-friendly:**

PEBs are eco-friendly as its components are manufactured from hot rolled steel sheet. Since steel is one of the world's most recycled material, therefore, depending on the manufacturing process, close to 95 percent of the components of a newly manufactured steel product can be recycled.

- **Better adoption of Building Information Modelling (BIM):**

Increased adoption of BIM across various nations has also triggered the usage of prefabricated construction, as BIM would make the design flow easier and provides data-centric information based on the design, specification, and construction issues. In addition to all the other benefits, the usage of BIM to track time, errors, and the cost is a major benefit driving the pre-engineered buildings market in all regions

- **Warehousing needs:**

The high growth in retail e-commerce sector has triggered a huge demand for warehouses across the globe. There is an increased inclination towards the use of prefabricated steel buildings to meet the warehousing

needs, as it saves a lot of time and cost given for the fixed design of a warehouse. Due to this increasing demand, the pre-engineered building market has seen a lot of local, small players enter into the prefabrication market.

- **Demand Outlook:**

The construction sector has remained more resilient than the manufacturing sector to the pandemic shock. However, in many developing economies, construction activity was severely disrupted by a total stoppage of projects. However, in 2021, backed with domestic policies, the global construction sector remained resilient to the impact of pandemic. The sector saw robust recovery backed by low interest rates and domestic governments focusing on infrastructure projects. However, the recovery plans were affected by two conflicting forces.

While few governments, especially in developing nations, pumped in funds in infrastructure sector making it a recovery tool aligned with green initiatives, on the other side, governments were hit with poor fiscal standing due to the pandemic, thereby affecting the ability towards financing infrastructure projects.

Pre-Fabricated Buildings & Cost Structure and Price Drivers

Raw Material

- Steel is one of the major raw materials in a PEMB building and even a small fluctuation in price would affect the final price of the building.
- The manufacturing location of the pre-engineered metal buildings structure is also a strong determinant of the cost of the pre-engineered steel buildings structure.
- The demand-supply situation for steel in the country would impact the steel price. E.g., If the domestic production is unable to meet the demand, then the price is bound to increase as the shortage would be sufficed through the steel import from other countries, which would definitely be higher than the domestic price.

Other Factors

- The other factors resulting in price increases would be the extent of infrastructure facility in the construction location, which would impact the logistics cost.
- There are several anti-dumping duties imposed by western countries on Chinese imports which is a key cost parameter.
- The choice of contracting method has a huge impact on the final cost. Choosing a broker who bids from manufacturer would increase cost. It would be best to contract directly with the manufacturer thereby enabling better control over the final product.

IV. FINANCIAL PERFORMANCE

Major Highlights

The analysis of major items of the financial statements is given below:

- During the year under review, the Company recorded a Profit after Tax of Rs. 39.39 million as against Rs. 22.52 million of FY 2020-21. An increase of 16.87 million (75%) in PAT primarily due to high demand of our product & Services and increase in price of raw material of the Company as compare to the previous financial year.

- The Basic and Diluted Earnings per share for the Financial Year 2021-22 was Rs. 2.99 as against Rs. 1.70 of previous financial year.

*The Company issued Bonus Shares in the ratio of 3:1 to shareholders of the Company in FY 2021-22. And therefore EPS of F.Y. 2019-20 and F.Y. 2020-21 has been restated according.

- During the year under review revenue from operations was higher by 74% as compared to the previous financial year. The same were Rs. 727.37 million in FY 2021-22 as against Rs. 417.30 million of FY 2020-21. The increase in revenue was because of high demand due to slow down of COVID and also due to increase in price of raw material in the market.

4. The EBITDA of the Company was Rs. 58.94 million as against Rs. 35.17 million of previous financial year. The increase in EBITDA was due to increase Revenue.

5. The Net worth of the Company is increased by Rs. 36.09 million as compare to F.Y. 2020-21. The increase in net worth was due to increase in paid Share capital of the Company by further issue of shares by way of Bonus to the existing Shareholders of the Company in the Ratio of 3:1.
6. The stock of Raw Material in the current financial year was higher by 35.77 million as compared to the previous financial year. The increase in stock in trade was due to orders in hand and we need to store material to overcome the price rise.
7. During the year under review, the Cost of Material Consumed was increased by Rs. 297.87 million as against the previous year. The increase in cost of material consumed was due to higher cost of consumption of raw materials owing to higher prices and higher consumption due to higher production.
8. During the year under review, the Depreciation & amortisation expenses was increased by 20% as compared to the previous financial year. Reason for increase in cost of deprecation was due to addition of Unit 2.
9. During the year under review, the cost of financing increased by almost 60% as against the FY 21. The primary reason behind the same was due to the utilization of credit facilities extended by bank. The credit facilities were in the form of term loan for addition of unit 2.

In line with Company's long-term vision to attain leadership position in India & to increase the capacity, the Company has started the production of PEB in phase 1 of Unit-II in 4th Quarter of FY 2021-22. The Company continues to focus on attractive opportunities to deploy capital optimally to increase the future returns of the business. This project (Unit 2) will enhance the downstream capabilities, increase value added capacities and reduce costs. Besides these the compliance related projects on improving the Environment related parameters were pursued.

V. Strategy

During the year under review, BRPL continued to focus on operational and marketing excellence to achieve its aspiration of becoming the most reputed and valuable Roofing and PEB Company. Steel buildings are the fastest systems of industrial construction today and are popular all over the world in the form of Pre-engineered Buildings (PEB). PEBs are custom-designed, expandable, durable and maintenance free. Construction activity, including those of industrial and commercial buildings, is likely to gain momentum over coming quarters. With a clear shift towards PEBs from conventional structures, the PEB segment would grow faster.

PEBs are delivered as a complete finished product to the site from a single supplier with a basic structural steel framework with attached factory finished cladding and roofing components.

PEBs have hit the construction market in a major way owing to the many benefits they possess. They exemplify the rising global construction, technology and while they oppose the practice of conventional building construction they simultaneously have taken it to a higher level too.

One can see their optimal use in warehouses, industrial sheds, sports facilities, air ports, etc.

VI. Risks and Concerns

BRPL operates in a world with stringent regulatory and environmental requirements, increased geopolitical risks and fast-paced technological disruptions that could have a material impact across the value chain of the organisation. The business is also dependent upon the policies of the Indian government and any change whether positive or adverse, has a direct impact on the Company's business.

The Company's operations require substantial amount of raw materials and the same are exposed to volatility and fluctuations in prices and availability. Competition from the unorganized sector with questionable standards and high transportation costs are also one of the concerns in the construction industry.

VII. Internal Financial Control Systems and their Adequacy

The Company has an Internal Financial Controls ('IFC') framework, commensurate with the size, scale, and complexity of the Company's operations. The Board of Directors of the Company is responsible for ensuring that Internal Financial Controls (IFC) have been laid down by the Company and that such controls are adequate and operating effectively. The internal control framework has been designed to provide reasonable assurance with respect to recording and providing reliable financial and operational information, complying with applicable laws, safeguarding assets from unauthorized use, executing transactions with proper authorization and ensuring compliance with corporate policies.

The Company's internal financial control framework is commensurate with the size and operations of the business and is in line with requirements of the Companies Act, 2013. The Company has laid down Standard Operating Procedures and policies to guide the operations of each of its functions. Business heads are responsible to ensure compliance with these policies and procedures. Robust and continuous internal monitoring mechanisms ensure timely identification of risks and issues. The management, statutory auditors and internal auditors have also carried out adequate due diligence of the control environment of the Company through rigorous testing.

VII. Statutory Compliance

The Company has in place adequate systems and processes to ensure that it is in compliance with all applicable laws. The heads of the Company is responsible for implementing the systems and processes for monitoring compliance with the applicable laws and for ensuring that the systems and processes are operating effectively. The Company Secretary and Managing Director, places before the Board, at each meeting, a certificate of compliance with the applicable laws. The Company Secretary & Managing Director also confirms compliance with Company law, SEBI Regulations and other corporate laws applicable to the Company.

Opinion

We have audited the financial statements of BANSAL ROOFING PRODUCTS LIMITED, which comprise the balance sheet as at 31st March 2022, and the statement of Profit and Loss (including Other Comprehensive Income), Statement of Changes in Equity and statement of cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2022 and its Profits and no other comprehensive income/loss, changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013 and the Rules there under, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our audit opinion on the financial statement. We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our opinion on the financial statements.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

Other Information

The Company's Management and Board of Directors are responsible for the other information. The other information comprises the information included in the Company's annual report, but does not include the financial statements and our auditors' report thereon.

Our opinion on the financial statements does not cover the other information and we will not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information identified above when it becomes available and, in doing so, consider whether the other information is

materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated.

When we read the Company's annual report, if we conclude that there is a material misstatement therein, we are required to communicate the matter to those charged with governance and take necessary actions, as applicable under the relevant laws and regulations

Management's Responsibility for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these financial statements that give a true and fair of the state of affairs, profit/ loss and other comprehensive income, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified under Section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate implementation and maintenance of accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion.

Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.

- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Management and Board of Directors.
- Conclude on the appropriateness of the Management and Board of Directors use of the going concern basis of accounting in preparation of financial statements and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit. We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order") issued by the Central Government of India in terms of Section 143(11) of the Act, we give in the "**Annexure A**" a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
2. As required by Section 143(3) of the Act, based on our audit we report that:
 - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
 - c) The Balance Sheet, the Statement of Profit and Loss (including other comprehensive income), the Statement of Changes in Equity and the Statement of Cash Flows dealt with by this Report are in agreement with the books of account.
 - d) In our opinion, the aforesaid financial statements comply with the Ind AS specified under Section 133 of the Act.
 - e) On the basis of the written representations received from the directors as on 31st March, 2022 taken on record by the Board of Directors, none of the directors is disqualified as on 31st March, 2022 from being appointed as a director in terms of Section 164 (2) of the Act.

- f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in “Annexure B”.
- g) With respect to the other matters to be included in the Auditor’s Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
- (i) The Company does not have any pending litigations which would impact on its financial position in its financial statements.
 - (ii) The Company did not have any long-term contracts including derivative contracts; as such the question of commenting on any material foreseeable losses thereon does not arise.
 - (iii) There has not been an occasion in case of the Company during the year under report to transfer any sums to the Investor Education and Protection Fund. The question of delay in transferring such sums does not arise.
 - (iv) (a) The management has represented that, to the best of its knowledge and belief, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other persons or entities, including foreign entities (“Intermediaries”) with the understanding, whether recorded in writing or otherwise, that the Intermediary shall:
 - directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever (“Ultimate Beneficiaries”) by or on behalf of the Company
 - provide any guarantee, security or the like to or on behalf of the Ultimate Beneficiaries.
 (b) The management has represented, that, to the best of its knowledge and belief, no funds have been received by the Company from any persons or entities, including foreign entities (“Funding Parties”), with the understanding, whether recorded in writing or otherwise, that the Company shall:
 - directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever (“Ultimate Beneficiaries”) by or on behalf of the Funding Party or
 - provide any guarantee, security or the like from or on behalf of the Ultimate Beneficiaries; and
 (c) Based on such audit procedures as considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub clause (d) (i) and (d) (ii) contain any material mis-statement.
 - (d) The dividend declared or paid during the year by the Company is in compliance with Section 123 of the Act.
2. With respect to the matter to be included in the Auditor’s Report under Section 197(16) of the Act, In our opinion and according to the information and explanations given to us, the remuneration paid by the Company to its directors during the current year is in accordance with the provisions of Section 197 of the Act. The remuneration paid to any director is not in excess of the limit laid down under Section 197 of the Act. The Ministry of Corporate Affairs has not prescribed other details under Section 197(16) of the Act which are required to be commented upon by us.

ANNEXURE 'A' TO THE INDEPENDENT AUDITOR'S REPORT

(Referred to in paragraph 2 under 'Report on Other Legal and Regulatory Requirements' section of our report to the Members of M/S BANSAL ROOFING PRODUCTS LIMITED of even date)

To the best of our information and according to the explanations provided to us by the Company and the books of account and records examined by us in the normal course of audit, we state that:

- i. In respect of the Company's Property, Plant and Equipment and Intangible Assets:
 - (a) (A) The Company has maintained proper records showing full particulars, including quantitative details and situation of Property, Plant and Equipment.
(B) The Company has no intangible assets during the year hence clause 3(i)(a)(B) is not applicable.
 - (b) The Company has a program of physical verification of Property, Plant and Equipment in a phased manner to cover all the assets at reasonable interval which, in our opinion, is reasonable having regard to the size of the Company and the nature of its assets. Pursuant to the program, certain Property, Plant and Equipment were due for verification during the year and were physically verified by the Management during the year. According to the information and explanations given to us, no material discrepancies were noticed on such verification.
 - (c) Based on our examination, the title deed in respect of buildings and all other immovable properties disclosed in the financial statements included under Property, Plant and Equipment are held in the name of the Company as at the balance sheet date.
 - (d) The Company has not revalued any of its Property, Plant and Equipment during the year.
 - (e) No proceedings have been initiated during the year or are pending against the Company as at March 31, 2022 for holding any benami property under the Benami Transactions (Prohibition) Act, 1988 (as amended in 2016) and rules made there under.
- ii.
 - (a) The inventory has been physically verified by the management during the year in our opinion, frequency of such verification is reasonable and procedures and coverage as followed by management were appropriate. No discrepancies were noticed on verification between the physical stocks and the book records that were 10% or more in the aggregate for each class of inventory.
 - (b) According to information and explanation given to us and on the basis of our examination of the records of the company, the company has not been sanctioned working capital limits in excess of five crore rupees, in aggregate, from banks or financial institutions on the basis of security of current assets hence reporting under clause 3(ii) (b) is not applicable.
 - (c) The Company has not made investments in, companies, firms, Limited Liability Partnerships, and granted unsecured loans to other parties, during the year, hence reporting under clause 3(iii)(a) to (f) of the Order is not applicable.
 - (d) The Company has not given any Loan, Investment and Guarantees as per provisions of Sections 185 and 186 of the Companies Act, 2013.
 - (e) The Company has not accepted any deposits or deemed deposits from the public covered under Section 73 to 76 of the Companies Act, 2013.

- (f) The maintenance of cost records has been specified by the Central Government under sub section (1) of section 148 of the Companies Act, 2013 for the business activities carried out by the Company is applicable to the Company.
- (g) In respect of statutory dues:
- (a) In our opinion, the Company has generally been regular in depositing undisputed statutory dues, including Goods and Services tax, Provident Fund, Employees' State Insurance, Income Tax, Service Tax, duty of Custom, duty of Excise, and other material statutory dues applicable to it with the appropriate authorities.
 - (b) There were no undisputed amounts payable in respect of Goods and Service tax, Provident Fund, Employees' State Insurance, Income Tax, Sales Tax, Service Tax, duty of Custom, duty of Excise, Value Added Tax, Cess and other material statutory dues in arrears as at March 31, 2022 for a period of more than six months from the date they became payable.
- (h) There were no transactions relating to previously unrecorded income that have been surrendered or disclosed as income during the year in the tax assessments under the Income Tax Act, 1961 (43 of 1961).
- (i) (a) The Company has not made any default in repayment of loans or other borrowings or in the payment of interest thereon to any lender.
- (b) The Company has not been declared wilful defaulter by any bank or financial institution or government or any government authority.
- (c) The Company has taken term loan from Bank for the purpose of Construction of Factory Building and procurement of Plant & Machinery and the same is used for that purpose only.
- (d) On an overall examination of the financial statements of the Company, there is no Short term funds used for long term during the year.
- (e) On an overall examination of the financial statements of the Company, the Company has no subsidiaries associates or joint ventures hence reporting on clause 3(ix) (e) and (f) of the Order is not applicable.
- (j) (a) The Company has not raised moneys by way of initial public offer or further public offer (including debt instruments) during the year and hence reporting under clause 3(x)(a) of the Order is not applicable.
- (b) During the year, the Company has not made any preferential allotment or private placement of shares or convertible debentures (fully or partly or optionally) and hence reporting under clause 3(x)(b) of the Order is not applicable.
- (k) (a) No fraud by the Company and no material fraud on the Company has been noticed or reported during the year.
- (b) No report under sub-section (12) of section 143 of the Companies Act has been filed in Form ADT-4 as prescribed under rule 13 of Companies (Audit and Auditors) Rules, 2014 with the Central Government, during the year and upto the date of this report.
- (c) There is no whistle blower complaints received by the Company during the year (and upto the date of this report), hence reporting under clause no 3 (xi) (c) of the Order is not applicable.

- (l) The Company is not a Nidhi Company and hence reporting under clause XII(a),(b),(c) of the Order is not applicable.
- (m) In our opinion, the Company is in compliance with Section 177 and 188 of the Companies Act, 2013 with respect to applicable transactions with the related parties and the details of related party transactions have been disclosed in the financial statements as required by the applicable accounting standards.
- (n) (a) In our opinion the Company has an adequate internal audit system commensurate with the size and the nature of its business.
(b) We have considered, the internal audit reports for the year under audit, issued to the Company during the year and till date, in determining the nature, timing and extent of our audit procedures.
- (o) In our opinion during the year the Company has not entered into any non-cash transactions with its Directors or persons connected with its directors and hence provisions of section 192 of the Companies Act, 2013 are not applicable to the Company.
- (p) In our opinion, the Company is not required to be registered under section 45-IA of the Reserve Bank of India Act, 1934. Hence, reporting under clause 3(xvi)(a), (b), (c) and (d) of the Order is not applicable.
- (q) The Company has not incurred cash losses during the current financial year covered under audit and the immediately preceding financial year.
- (r) There has been no resignation of the statutory auditors of the Company during the year.
- (s) On the basis of the financial ratios, ageing and expected dates of realization of financial assets and payment of financial liabilities, other information accompanying the financial statements and our knowledge of the Board of Directors and Management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report indicating that Company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the Company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the Company as and when they fall due.
- (t) (a) Corporate Social Responsibility (CSR) reporting under clause 3(xx)(a) and 3(xx)(b) of the Order is not applicable to the Company for the year.
- (u) There is not any qualifications or adverse remarks in the auditors report of the Company (Auditor's Report) Order (CARO) reports of the company.

ANNEXURE “B” TO THE INDEPENDENT AUDITOR’S REPORT

(Referred to in paragraph 1(f) under ‘Report on Other Legal and Regulatory Requirements’ section of our report to the Members of Bansal Roofing Products Limited of even date)

Report on the Internal Financial Controls Over Financial Reporting under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

We have audited the internal financial controls over financial reporting of **BANSAL ROOFING PRODUCTS LIMITED** (“the Company”) as of **March 31, 2022** in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management’s Responsibility for Internal Financial Controls

The Board of Directors of the Company is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to respective company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor’s Responsibility

Our responsibility is to express an opinion on the Company’s internal financial controls over financial reporting of the Company based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) issued by the Institute of Chartered Accountants of India and the Standards on Auditing prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls system over financial reporting of the Company.

Meaning of Internal Financial Controls Over Financial Reporting

A company’s internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company’s internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted

accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at **March 31, 2022**, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

NOTES FORMING PART OF FINANCIAL STATEMENTS
FOR THE YEAR ENDED MARCH 31, 2022

1) Corporate Information:

The company is engaged in the business of manufacturing and selling of Color coated roof sheets, FRP roof sheets, Polycarbonate sheets, Turbo Ventilators, PEB (Pre- Engineering Building) and other miscellaneous Roofing Accessories.

2) Statement of Compliance:

The Financial Statements comprising of the Balance Sheet, Statement of Profit or Loss, Statement of Changes in Equity, Cash Flow Statement together with significant accounting policies and notes for the year ended March 31, 2022 have been prepared in accordance with Ind AS as prescribed under section 133 of the companies Act, 2013 read with the companies (Indian Accounting Standards) Rules as amended from time to time.

3) Basis of Preparation of Financial Statements:

These financial statements are prepared in accordance with Indian Accounting Standards (Ind AS) under the historical cost convention on the accrual basis, the provisions of Companies act, 2013 (to the extent notified). The Ind AS prescribed under section 133 of the Companies Act, 2013 ('Act') read with Rule 4 of the Companies (Indian Accounting Standard) Rules, 2015 and Companies (Indian Accounting Standard) Amendment Rules 2016.

The Company has adopted all Ind AS standards and adoption has been carried out in accordance with Ind AS 101, First time adoption of Indian Accounting Standard. The transition was carried out from Indian Accounting Principles generally accepted in India as prescribed under sec 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014 (GAAP) which was the previous GAAP.

The statement of cash flows have been prepared under indirect method. whereby profit or loss is adjusted for the effects of transactions of a non-cash nature, any deferrals or accruals of past or future operating cash receipts or payments and items of income or expense associated with investing or financing cash flows. The cash flows from operating, investing and financing activities of the Group are segregated. The Group considers all highly liquid investments that are readily convertible to known amounts of cash and are subject to an insignificant risk of changes in value to be cash equivalents.

(a) Basis of Measurement:

The Financial Statements have been prepared on a historic cost convention and on an accrual basis.

(b) First time Adoption of Ind AS

The Financial Statement for the year ended March 31, 2022 are the first financial Statement prepared by the company in accordance with Ind AS.

For the periods upto and inclusive of year ended March, 2021 the company prepared its financial statements in accordance with accounting standards specified in section 133 of the Companies Act, 2013 read together with rule 7 of Companies (Accounting Standards) Rules 2014 (Previous GAAP). Reconciliation and description of the effect of transition from previous GAAP to Ind AS on equity, Profit and Cash flows are provided. The Balance Sheet as on the date of transition has been prepared in accordance with Ind AS 101 First time adoption of Indian accounting Standards.

Ind AS 101 requires that all Ind AS for the first Ind AS Financial Statements be applied consistently and retrospectively for all fiscal years presented. However, this statement provides some exceptions and exemptions to this general requirement in specific cases.

Due to first time adoption of Ind AS, Ind AS 109 requires processing charges of term loan are recognized in the statement of Profit and loss over the tenure of the borrowing as part of borrowing cost. Accordingly, borrowing cost has reduced by Rs. 174640/- as at 31st March 2021. The total equity before tax has also increased by an equivalent amount and profit for the year ended 31st March 2021.

As mentioned above respective effects of Rs.1,74,640/- has been given in the financial statement as on 31st March,2021.

4) Use of estimates and Judgements:

The preparation of the financial statements in conformity with Ind AS requires management to make judgements, estimates and assumptions that affect the application of accounting policies reported balances of assets and liabilities and disclosures relating to contingent liabilities as at the date of the financial statements and reported amounts of income and expenses during the period. Examples of such estimates include computation of percentage of completion which requires the Group to estimate the efforts or costs expended to date proportion of the total efforts or costs to be expended, provisions for doubtful debts, future obligations under employee retirement benefit plans, income taxes, post-sales customer support and the useful lives of tangible assets and intangible assets.

Accounting estimates could change from period to period. Actual results could differ from those estimates. Appropriate changes in estimates are made as the Management becomes aware of changes in circumstances surrounding the estimates. Changes in estimates are reflected in the standalone financial statements in the period in which changes are made and, if material, their effects are disclosed in the notes to the standalone financial statements.

An entity's estimates in accordance with Ind AS at the date of transition to Ind AS shall be consistent with estimates made for the same date in accordance with Previous GAAP (after adjustments to reflect any difference in accounting policies unless there is objective evidence that those estimates were in error) The company has not made any changes to estimates made in accordance with Previous GAAP.

The Company uses the following critical accounting estimates in preparation of its financial statements: -

a) Revenue recognition:

Sales and Services

Revenue from sale of goods and services is recognized when the significant risks and in respect of ownership are transferred by the Company net of GST.

Other Income

Other income is recognized on accrual basis except when realization of such income is uncertain.

b) Useful lives of property, plant and equipment:

The Company reviews the useful life of property, plant and equipment at the end of each reporting period. This reassessment may result in change in depreciation expense in future periods.

c) Fair value measurement of financial instrument:

When the fair value of financial assets and financial liabilities recorded in the balance sheet cannot be measured based on quoted prices in active markets, their fair value is measured using valuation techniques including the Discounted Cash Flow model. The inputs to these models are taken from observable markets where possible, but where this is not feasible, a degree of judgement is required in establishing fair values. Judgements include considerations of inputs such as liquidity risk, credit risk and volatility. Changes in assumptions about these factors could affect the reported fair value of financial instruments.

d) Provision for income tax and deferred tax assets:

The Company uses estimates and judgements based on the relevant rulings in the areas of allocation of revenue, costs, allowances and disallowances which is exercised while determining the provision for income tax. A deferred tax asset is recognized to the extent that it is probable that future taxable profit will be available against which the deductible temporary differences and tax losses can be utilized. Accordingly, the Company exercises its judgement to reassess the carrying amount of deferred tax assets at the end of each reporting period.

e) Provisions and contingent liabilities:

The Company estimates the provisions that have present obligations as a result of past events and it is probable that outflow of resources will be required to settle the obligations. These provisions are reviewed at the end of each reporting period and are adjusted to reflect the current best estimates.

The Company uses significant judgements to assess contingent liabilities. Contingent liabilities are recognized when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company or a present obligation that arises from past events where it is either not probable that an outflow of resources will be required to settle the obligation or a reliable estimate of the amount cannot be made. Contingent assets are neither recognized nor disclosed in the standalone financial statements.

f) Employee benefits:

The accounting of employee benefit plans in the nature of defined benefit requires the Company to use assumptions. These assumptions have been explained under employee benefits note.

g) Leases:

The Company evaluates if an arrangement qualifies to be a lease as per the requirements of Ind AS 116 only short- term lease applicable to company.

h) Recent Pronouncements:

Ministry of Corporate Affairs ("MCA") notifies new standard or amendments to the existing standards under Companies (Indian Accounting Standards) Rules as issued from time to time. On March 23, 2022, MCA amended the Companies (Indian Accounting Standards) Amendment Rules, 2022, applicable from April 1, 2022 which has no significant impact in Company's financial statements.

5) Financial assets, financial liabilities and equity instruments:

Financial assets and liabilities are recognized when the Company becomes a party to the contractual provisions of the instrument. Financial assets and liabilities are initially measured at fair value. Transaction

costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at fair value through profit or loss) are added to or deducted from the fair value measured on initial recognition of financial asset or financial liability.

The Company derecognizes a financial asset only when the contractual rights to the cash flows from the asset expire, or when it transfers the financial asset and substantially all the risks and rewards of ownership of the asset to another entity. The Company derecognizes financial liabilities when, and only when, the Company's obligations are discharged, cancelled or have expired.

Cash and cash equivalents:

The Company considers all highly liquid investments, which are readily convertible into known amounts of cash that are subject to an insignificant risk of change in value, to be cash equivalents. Cash and cash equivalents consist of balances with banks which are unrestricted for withdrawal and usage.

Financial assets at amortized cost:

Financial assets are subsequently measured at amortized cost if these financial assets are held within a business whose objective is to hold these assets in order to collect contractual cash flows and the contractual terms of the financial assets give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

Financial assets at fair value through other comprehensive income:

Financial assets are measured at fair value through other comprehensive income if these financial assets are held within a business whose objective is achieved by both collecting contractual cash flows on specified dates that are solely payments of principal and interest on the principal amount outstanding and selling financial assets.

The Company has made an irrevocable election to present subsequent changes in the fair value of equity investments not held for trading in other comprehensive income.

Financial assets at fair value through profit or loss:

Financial assets are measured at fair value through profit or loss unless they are measured at amortized cost or at fair value through other comprehensive income on initial recognition. The transaction costs directly attributable to the acquisition of financial assets and liabilities at fair value through profit or loss are immediately recognized in statement of profit and loss.

Financial liabilities:

Financial liabilities are measured at amortized cost using the effective interest method.

Equity instruments:

An equity instrument is a contract that evidences residual interest in the assets of the company after deducting all of its liabilities. Equity instruments issued by the Company are recognized at the proceeds received net of direct issue cost.

6) Non-financial assets and non-financial liabilities:

(a) Property, plant and equipment

Property, plant and equipment are stated at cost comprising of purchase price and any initial directly attributable cost of bringing the asset to its working condition for its intended use, less accumulated depreciation (other than freehold land) and impairment loss, if any. Depreciation is provided for property, plant and equipment on a straight-line basis so as to expense the cost less residual value over their estimated useful lives based on a technical evaluation. The estimated useful lives and residual values are reviewed at the end of each reporting period, with the effect of any change in estimate accounted for on a prospective basis.

Factory Buildings	30 years
Plant and machinery	3-15 years
Office equipment	5-10 years
Computer equipment	6 years
Furniture and fixtures	10 years
Vehicles	6 years
Borewell	15 years
Solar Equipment	15 years

Depreciation is not recorded on capital work-in-progress until construction and installation are complete and the asset is ready for its intended use. Property, plant and equipment with finite life are evaluated for recoverability whenever there is any indication that their carrying amounts may not be recoverable. If any such indication exists, the recoverable amount (i.e. higher of the fair value less cost to sell and the value-in-use) is determined on an individual asset basis unless the asset does not generate cash flows that are largely independent of those from other assets. In such cases, the recoverable amount is determined for the cash generating unit (CGU) to which the asset belongs.

If the recoverable amount of an asset (or CGU) is estimated to be less than its carrying amount, the carrying amount of the asset (or CGU) is reduced to its recoverable amount. An impairment loss is recognized in the statement of profit and loss.

Capital Work in Progress:

Ageing for capital work-in-progress as at March 31, 2022 is as follows:

Less than 1 Years	Rs.1,05,00,633/-
-------------------	------------------

Ageing for capital work-in-progress as at March 31, 2021 is as follows:

Less than 1 Years	Rs.4,80,73,333/-
-------------------	------------------

(b) Inventories

Stock of Raw Material and WIP is valued at cost, finished goods are valued at cost or market value whichever is less. Cost of raw Material and finish goods includes the purchase cost (net of any taxes on which credits are received or receivable) and other incidental cost, to bring such material to its present location and condition. The Company follows First in First out (FIFO) method for valuation of inventory.

Information about major customer

No single customer represents 10% or more of the Company's total revenue during the years ended March 31, 2022 and March 31, 2021.

7) Employee benefits

Defined contribution plans

Contributions to defined contribution plans are recognized as expense when employees have rendered services entitling them to such benefits.

Defined benefit plans

The Company recognizes the liability towards the gratuity at each balance sheet date.

The Company makes annual contributions to the Employees' Group Gratuity of the LIC, a funded defined benefit plan for employees of the Company. The scheme provides for payment to vested employees as under:

(a) On Normal retirement/ early retirement/ withdrawal/resignation:

As per the provisions of Payment of Gratuity Act, 1972 with vesting period of 5 years of service.

(b) On death in service:

As per the provisions of Payment of Gratuity Act, 1972 without any vesting period.

The most recent actuarial valuation of plan assets and the present value of the defined benefit obligation for gratuity and leave encashment were carried out at **31st March, 2022** by an LIC.

The present value of the defined benefit obligations and the related current service cost and past service cost, were measured using the Projected Unit Credit Method, which recognizes each period of service as giving rise to additional unit of benefit entitlement and measures each unit separately to build up the final obligation.

The following table sets out the status of the gratuity plan and the amounts recognized in the company's financial statements as on 31 st March, 2022 as per valuation of LIC.

	Amt. in (Rs.)	
	For the year ended 31/03/2022	For the year ended 31/03/2021

The principal actuarial assumptions for the above are:		
Discount rate per annum	7%	7%
Expected salary escalation rate per annum	7%	7%
Attrition Rate per Annum	1% to 3%	1% to 3%

8) Cost recognition

Costs and expenses are recognized when incurred and have been classified according to their nature. The costs of the Company are broadly categorized in employee benefit expenses, cost of equipment and software licenses, depreciation and amortization expense and other expenses. Other expenses mainly include fees to external consultants, facility expenses, travel expenses, communication expenses, bad debts and advances written off, allowance for doubtful trade receivables and advances (net) and other expenses. Other expenses are aggregation of costs which are individually not material such as commission and brokerage, recruitment and training, entertainment, etc.

9) Depreciation and amortization Expenses

Depreciation on tangible assets is provided on the straight-line method Over the useful lives of assets. Depreciation for assets purchased/sold during the year/period is proportionately charged. Intangible assets are amortized over the irrespective individual estimated useful lives on a straight-line basis, commencing from the date the asset is available for its use. The Management estimates the useful lives for the other fixed assets as follows:

Factory Buildings	30 years
Plant and machinery	3-15 years
Office equipment	5-10 years
Computer equipment	6 years
Furniture and fixtures	10 years
Vehicles	6 years
Borewell	15 years
Solar Equipment	15 years

Based on technical evaluation, the management believes that the useful lives as given above best represent the period over which management expects to use these assets. Hence, the useful lives for these assets is different from the useful lives as prescribed under Part C of Schedule II of the Companies Act 2013.

Depreciation and amortization methods, useful lives and residual values are reviewed periodically, including at each financial year end.

Depreciation is not recorded on capital work in process until construction and installation are complete and the asset is ready for its intended use.

10) Income taxes

Current Tax - Provision for current tax is made based on tax liability computed after considering tax allowances and exemptions.

Deferred Tax - Deferred tax is recognized on timing differences between the accounting income and taxable income for the year and quantified using the tax rates and laws enacted or substantively enacted as on the Balance Sheet date. Deferred tax assets are recognized and carry forward to the extent that there is a reasonable or virtual certainty, as may be applicable, that sufficient future taxable income will be available against which such deferred tax asset can be realized.

11) Earnings per share

Basic earnings per share is computed by dividing profit or loss attributable to equity shareholders of the Company by the weighted average number of equity shares outstanding during the year as per Ind AS 33.

Basic and diluted earnings per share (EPS) is calculated as under:

	Amt in (Rs.)	
	Year Ended 31 st March, 2022	Year Ended 31 st March, 2021
Profit (loss) after Tax	3,93,86,013/-	2,25,24,170/-*
